The Arc of Benton County provides local social services for individuals with Developmental Disabilities and their families. Proceeds from your consignment will help fund these services. Thank you very much. Acceptance of items for consignment may be influenced by available space, item quality and agreement of parties on the asking price. All items must be of excellent quality, clean and in good working condition. All items must be judged sellable and appropriately priced by both the consignor and The Arc representative. If upon closer inspection, any consigned item is found to be unsuitable for sale at The Arc Resale, the consignor will remove the item within 5 days of notification, or the item may be removed from the store at the consignor's expense. The Arc will guard against but is not responsible for loss or damage of a consigned item.

- The term of consignment is 30 days.
- After 2 weeks, a consigned item's asking price shall be marked down 10%.
- After 3 weeks, a consigned item's asking price shall be marked down 25%
- When sold, the consignor receives 50% of the selling price; the remaining 50% shall be a donation to The Arc. A check and a donation receipt for tax purposes shall be mailed to the consignor within 20 working days of the sale.
- If the consigned item does not sell within 30 days, it must be removed from the store by the consignor within 5 days after the expiration of this contract. On the 6th day after the contract expires, the item becomes the sole property of The Arc of Benton County. A donation receipt for amount of The Arc's valuation of the item will be mailed to the consignor, with our appreciation.
